INDEX TO VOLUME XIX, THIRD SERIES.

(WHOLE SERIES, VOLUME XXVII.)

Abdominal emergencies—treatment 342
operations, normal saline solutions before, during and after 116, 618
section and suture in the treatment of perforating gastric ulcer 206
surgery, notes on anesthesia in..... 398
tuberculosis, the oil-massage treatment of 807
wall, an improved filigree for the repair of large defects in the..... 700
Abortion, induced—the advisability of..... 216
Abortive treatment of gonorrhea..... 54
Abscess of the liver—surgical treatment..... 849
of the spleen 842
Abuse of drugs in the treatment of pulmonary tuberculosis 96
Accidental perforation of the uterus..... 564
Accidents, a discourse on prognosis after.... 862
of anesthesia: their prevention and treatment 111
to the cranial contents, important facts in regard to the treatment of 542
Acetanilid in the treatment of diseases of the nervous system 5
Acetozone, fifty-three cases of typhoid fever treated by 372
in atrophic rhinitis 767
in the treatment of amebic dysentery.... 397
in typhoid fever 333
the treatment of 128 cases of typhoid fever with 145
Acid phosphate of sodium and adrenalin in vesical disease 755
sodium phosphate, the use of for rendering alkaline urine acid 287
suphate of soda 720
in the treatment of typhoid fever 517
treatment of pruritus 313
Acne and rosacea, practical management of.. 608
x-ray treatment of 767
Actinomycosis, the treatment of by the x-ray 485
Acute diarrheas of infancy, the treatment of the 557
dilatation of the heart in typhoid fever.. 511
rheumatism, some points in the treatment of 30
Adenoids as a cause of enlarged tonsils and other pathological conditions 581
Adrenalin, a note on the internal administration of for control of hemorrhage..... 652
as a stimulant, an experimental research into the value of 198
chloride in eye affections of coal miners.. 531
in the treatment of purpura..... 696
the physiological action of..... 378
with chloretone, the use of in diseases of the nose 338
fulminating purpura hemorrhagica treated by 754
hydrochloride in the treatment of inflammation of the antrum of Highmore.... 448
in eye work 471
in hematemesis 550
in ophthalmic operations 504
in shock and collapse 314
in the treatment of gastric hemorrhage... 601
in uncontrollable hemorrhage..... 331
the application of to irreducible hemorrhoids with threatened strangulation.. 454
therapeutics 678
the therapeutics of 104
the therapeutic use of in urinary surgery 415
value of 462
Adrenalin-eucaine, local analgesia by..... 778
Advancement of rational therapeutics 186
Agitation and insomnia in mental and nervous diseases, the treatment of 754
Ague, the treatment of by the hypodermic injection of quinine 44
Airol, a substitute for iodoform 376
Albuminuria in the differentiation of pyelitis and cystitis 850
Alcoholic liquors, and tea and coffee, the influence of upon digestion in the human stomach 612
insanity, treatment of 45
Alcoholism in France 288
Alcohol—experiments to determine whether it does good in infections by increasing the bacteriolytic power of the blood.... 289
in typhoid fever 190
studies of 334
on the action of in disease, especially upon the circulation 753
the abuse of 574
the germicidal value of 557
the value of as a sedative in puerperal insanity 215
Alger, Ellice M.: Headache as a Symptom, and its Treatment 804
Alkalies and the salts of alkalies in the treatment of gout 673
Alopecia, treatment of 706
Amaurosis, unilateral, caused by paraffin injection 118
Amebic dysentery, acetozone in the treatment of 397
Amputation of the lower leg—tendo Achillis as a pad 273
Anatomical difficulties in replacing old subcoracoid shoulder dislocations 427
Anders, James M.: The Use of Morphine in Uremic Convulsions 3
Anderson, A. S. U.: Jaesche-Arlt Operation for Organic Entropion or Trichiasis 224
Anemia, profound and progressive—miners employed in Cornwall affected by a..... 142
Anesthesia and "bad subjects" 187
and swearing 360
electrical 125
Oberst's method of 755, 775
the accidents of: their prevention and treatment 111
Anesthetic compound, a new 459
ethyl chloride as an 39
general—bromide of ethyl as a, and as a preliminary to ether 822
general—ethyl chloride as a 475
Anesthesia, general—the agents employed for the production of 308
in abdominal surgery, notes on..... 398
the preparation of patients for..... 304
Anesthetic, the choice of an 305
Anesthetics, relation of to shock.....286, 406
the methods of administration of..... 308
the role of in the production of shock.. 384
Anesthol, a new anesthetic compound....306, 459
Aneurism, aortic—another case of treated by electrolysis 19
the treatment of by subcutaneous injection of gelatin 574
traumatic, in left groin; ligature of left common iliac artery; recovery 497
treatment of by injections of serum gelatin 53
Angina pectoris, the treatment of.....256, 724
Angioma of the liver 61
Another factor in the distribution of typhoid infection 543
Antidiphtheritic serum, the intravenous administration of in diphtheria 193
Antiferment, crude petroleum an undoubted. 801
Antipneumococcic serum, eight cases of pneumonia in infancy treated with..... 684
Antipyrin, the use of in painful nervous disorders 4
Antiseptics in the treatment of typhoid fever, some reasons why we should use..... 657
the treatment of dyspepsia by..... 200
Antiseptic surgery, the evolution of, and its influence on the progress and advancement of bacteriology and therapeutics..... 828
Antistreptococcic serum and its use in malignant endocarditis... 460
as a preventive against puerperal sepsis 837
the treatment of scarlet fever with..... 325
Antitetanic serum in the treatment of tetanus 669
the present status of 97
Antitoxin, acute tetanus successfully treated with 849
as a prophylactic against paralysis..... 332

Antitoxin, the use of in the treatment and prevention of diphtheria..... 619
treatment of diphtheria, the value of.... 410
Antityphoid serum in the treatment of typhoid fever 192
Antrum of Highmore, conservative treatment of 447
Aortic aneurism, large, treated by the introduction of gold wire and electrolysis, followed by cerebral embolism; recovery 438
regurgitation, the treatment of 253
Appendectomy, acute yellow atrophy of the liver following 413
hematemesis following 698
Appendicitis, a peculiar case of..... 864
the treatment of 216, 862
Aristol, a substitute for iodoform 375
Arsenic in pernicious anemia 329
in the treatment of chorea 37
the action of on the bone-marrow of man and animals 742
Arterial sutures 428
Arteriosclerosis, treatment of 260
Arteriovenous anastomosis 488
Arthritis, infective 318
rheumatoid—the pathology and treatment of 819
tubercular, in children—treatment of.... 607
Artificial abscesses in the treatment of puerperal sepsis 495
feeding of infants 832
Asthma, an experimental inquiry into the pathology of 142
Astragalus, fracture of the 420
Atheroma of the ascending aorta 646
Atonic motor insufficiency and dilatation of the stomach, the treatment of..... 248
Atrophic rhinitis, acetozone in 767
Atropine: its uses and contraindications in ophthalmic practice 264
some studies on the effects of..... 323
spasmodic torticollis successfully treated by hypodermic injections of..... 477
Australian bitter bark and dita bark..... 213
Autointoxications of pregnancy, the treatment of by thyroid extract; the anticipation of impending eclampsia 412

Bacteriology and therapeutics, the evolution of antiseptic surgery and its influence on the progress and advancement of 828
Bacteriolytic power of the blood, experiments to determine whether alcohol does good in infections by increasing the 289
Bacteriuria 419
Baldness 706
Barker method for fracture of the patella, modification of the 64
Barlow's disease, the frequency of in France 790
Baruch, Simon: Some American Contributions to the History of Modern Therapy 81
The Question of Priority as to Childbed Fever—Holmes vs. Semmelweis..... 802
Bath treatment of typhoid fever 750
Benedict, A. L.: Some Facts in Regard to the Use of Strychnine 590
Benzoin, the therapeutic uses of the preparations of 441
Beyea's operation for gastroptosis 277
Billings, Frank: The Use of Morphine in Uremic Convulsions 3
Binkerd, A. D.: Thirty Years' Experience with Crude Petroleum as a Therapeutic Agent 799
Birth paralysis of the upper extremity, suture of the brachial plexus in 495
Bishop, M. H.: Cæsarian Section versus Abortion or Miscarriage in Women with Deformed Pelves 539
Bissey, H. S.: Change of Climate in the Treatment of Phthisis 519
Blackwater fever, experimental hemoglobinuria in a case of 465
Bladder, exstrophy of the 416
syphilis of the 51
Bland, P. Brooke: Tubal Menstruation—A Case History 731
Bleeding in lobar pneumonia of young children 32
Blennorrhagia, acute—results obtained from the irrigation treatment of 183
Block, O. E.: Ethyl Bromide as a General Anesthetic 90
Bloodless method of Lorenz for congenital dislocation of the hip..... 214
of reduction in congenital dislocation of the hip 127
Bloodletting and blistering in the treatment of pneumonia 110
Bloodletting for inflamed blood-vessels..... 343
Blood-pressure in the diagnosis of typhoid perforation 626
Blood-serum of normal and immunized goats in modifying the progress of tuberculous infection, an experimental study on the effect of the 689
Blood-vessels, suture of the 598
Bone-marrow of man and animals, the action of arsenic on the 742
Bossi's dilator in eclampsia 411
Brachial neuralgia, treatment of..... 770
plexus, paralysis of the upper root of the—operative treatment 850
Bradley, J. M.: Treatment of Meniere's Disease, with Report of Case 660
Brandt, F. H.: Treatment of Influenza, with a View to the Preventive Treatment of Pneumonia 725
Brewers' yeast in the treatment of boils, carbuncles, etc. 720
Bright's disease, chronic—renal decapsulation for 384
decapsulation of the kidney for the cure of 772
diet in 541
the cure of by decapsulation of the kidneys 562
Bromide and iodide eruptions, the frequency of 357
of ethyl anesthesia in throat operations.. 132
as a general anesthetic and as a preliminary to ether 832
the effects of 667
salts, the action of in epilepsy..... 364
Bromides, the abuse of the 381
the most useful remedy for internal use in epilepsy 337
Bromoform poisoning, a case of 221
Bronchitis and bronchopneumonia in children 192
Bronchopulmonary infections, lumbar puncture in 485
Bronchus, extraction of foreign bodies from the 628
Brush, E. F.: Cow's Milk Kumyss as a Nutrient in Disease 443
Bubonic plague, treatment of by Yersin's serum, with observations on its mode of action 593
Bullet lodged in the right ventricle..... 563
Burnet, James: On the Therapeutic Value of the Nuclein Compounds 312
Burns, the picric acid treatment of..... 825

Cæsarian section in placenta previa..... 692
the employment of in eclampsia 742
versus abortion or miscarriage in women with deformed pelves 539
Calcaneum, fracture of the greater process of the 421
Calcium salts, the administration of in nephrolithiasis due to uric acid calculi..... 473
Calculi, removal of from the gall-bladder... 629
Calculus of the ductus choledochus, the diagnosis and treatment of 719
Calomel in the toxemia of pregnancy..... 401
Camphor for ulcers of the leg 267
poisoning, a case of 448
the use of in the abstinence period of morphine withdrawal 454
Cancer and other malignant diseases; treatment with x-rays 204
of both breasts, Beatson's operation performed on a case of 863
of the breast: survival from five to thirty-two years after operation 130
of the larynx; thyrotomy in the early stages 281
of the lower lip, technique for removing 863
of the prostate 767
of the stomach, irremovable, in which the pylorus is not obstructed—gastroenterostomy for 707
of the stomach; radical cure 275
of the uterus, lysol and tincture of iodine in the treatment of 69
the x-ray treatment of 95
treated with x-rays 209
x-ray treatment of 282
Carbolic acid in the treatment of diseases of the skin 7
in the treatment of pruritus.... 560
in the treatment of smallpox.... 402
subcutaneous injections of in the treatment of tetanus 824
Carbonate of creosote, the treatment of croupous pneumonia with 793

Carcinoma and myoma uteri; removal of one ovary and part of the second for inflammation 217
of the breast treated by the x-rays..... 584
of the rectum, the operative treatment of 491
rectal—the indications and prognosis of operations on 48
tuberculosis, and other skin diseases—radiotherapy and phototherapy for the treatment of 339
Cardiac drugs in heart weakness, what ought we to expect from?..... 820
failure in typhoid fever, the treatment of 190
pain, the nature, causes, and treatment of 256
pulsations re-established after death... 483
stimulants 336
Cardiospasm and its treatment 633
Care of the mouth in its relation to disease.. 25
Castor oil in the treatment of dysentery.... 684
Cataphoresis in the treatment of gout, rheumatism, and rheumatic arthritis 251
Cataract extraction, acute violent delirium after 369
Catarrh, colon—the treatment of 326
Catarrhal pneumonia in infants, management of 613
Catheterization in the treatment of prostatic enlargement 489
Catheters, care of the 161
Cathode and ultraviolet rays, the therapeutic value of 562
Cavernous angiomata, metallic magnesium in the treatment of 56
Celiotomy for gastroptosis 425
making and closing the median wound.. 276
Cervical vertebræ, dislocation of the—treatment of 599
Change of climate in the treatment of phthisis 519
Chapin, John B.: Sedatives, with Special Reference to the Bromides 361
Chapped hands, the treatment of 720
Chase, Robt. H.: Sedatives, with Special Reference to the Bromides 363
Chilblains, the treatment of 197
Childbed fever, the question of priority as to —Holmes vs. Semmelweis 802
Chloretone as a remedy for seasickness..357, 753
Chloride of ethyl as a general anesthetic..99, 264
of lime for the prophylaxis of puerperal fever 802
Chlorine in the treatment of typhoid fever.. 658
Chloroform and ether—effect on the blood... 136
anesthesia, five hundred cases of in gynecological practice 322
death from—the causes and prevention of 550
the prevention or amelioration of vomiting during the administration of.... 683
versus ether 605
Chlorosis and pernicious anemia, the treatment of 329
the treatment of with salicylate of quinine 328
Cholangitis, suppurative 848
Cholecystgastrostomy 844
Choledochotomy, retroduodenal 844
Cholelithiasis and glycosuria, pancreatitis of an acute character associated with.... 203
medical treatment of 109
Cholera, the use of calomel in large doses for the treatment of 834
Chorea, a note on the treatment of by ergot of rye 752
arsenic in the treatment of 37
in pregnancy 504
the treatment of 717
Chorion epithelioma, a discussion on the nature of 573
Chronic bronchitis, the treatment of by ichthyol 389
inflammation of the large intestine, the surgical treatment of 741
nephritis in children, the treatment of.. 834
Chrysarobin in the treatment of psoriasis.... 616
Circulatory disturbances in the region of the mesenteric vessels, the pathology of..... 50
"Circulus vitiosus" following gastroenterostomy 267
Circumcision—new method of treating infant and adult 201
Cirrhosis, hypertrophic—an apparent cure of 575
of the liver—symptoms and treatment.. 134
Clark, John G.: The Preparation of Patients for Anesthesia 304
Clay paste 579
Clemens, J. R.: Potassium Iodide in Migraine 311
Climatic treatment for systemic maladies.... 243
Coal tar and its derivatives in the treatment of diseases of the skin 6
Coal-tar production, the therapeutic status of the in general nervous affections..... 9
products, the therapeutic status of the in neuralgia and other painful conditions 4
Coblentz, Virgil: Iodoform Substitutes and Adulteration 374
Medicinal Chemicals 222
The Silver Antiseptics 526
Cocaine in surgery 789
the local use of in the nose..... 548
Codeine, heroin, and morphine, some thoughts on 91
Cod-liver oil famine 674
Coffee after dinner 829
Colchicum in the treatment of gout..... 620
Colitis, high enemata in the treatment of.... 623
the treatment of 447
Colles's fracture—shortening of the radius.. 62
treatment of 122
Colon catarrh, the treatment of..... 326
Common salt and sodium, the dangers of Tavel's injections of 121
Congenital dislocation of the hip..... 214
of the hip: reduction by bloodless method 127
hypertrophy of the pylorus treated by pyloroplasty 141
inguinal hernia—operative treatment.... 705
phimosis—new operation 779
Conjunctivitis, corneal opacities, and syphilitic iritis, treatment of 301
Connell suture for intestinal anastomosis.278, 699
Conservative treatment of the antrum of Highmore 447
Constipation in dyspepsia, the treatment of.. 201
the dietary treatment of 761
Consumption, the use of methylene blue in... 334
Consumptives, regimen for 687
Continuous catheterization in prostatic hypertrophy 162
Cornea, iris, and lens—lacerated wound of the 367
Corneal opacities, a case illustrating..... 301
ulcers, the treatment of 847
Corrosives, poisoning by 688
Coston, H. R.: The Therapeutic Uses of the Preparations of Benzoin..... 441
Cough, on the treatment of 603
Cow's milk kumyss as a nutrient in disease.. 443
Cranial contents, accidents to the—important facts in regard to the treatment of..... 542
Crede's method, the prevention of ophthalmia in the new-born by 815
Crothers, T. D.: Hyoscine in the Treatment of Morphinism 371
Croupous pneumonia, regarding, especially its treatment with carbonate of creosote 793
the treatment of 105
Crude petroleum as a therapeutic agent..... 799
Culture products, immunity produced by..... 14
Cuprol, a nuclein compound 312
Cutaneous diseases and cancer, the present status of radiotherapy in 102
Cystitis and pyelitis—albuminuria in the differentiation 850
tubercular: its diagnosis and treatment.. 124
Cystocele, a new intra-abdominal operation for the cure of 49

Da Costa, J. Chalmers: The Effects of the Inhalation of Smoke and of Irritating and Poisonous Gases by Firemen, and the Proper Treatment of the Results 153
Danger for old persons in high altitudes..... 594
Davis, Gwilym G.: The Choice of an Anesthetic 305
Death from chloroform, the causes and prevention of 550
from drowning, an inquiry into the phenomena attending 504
from smallpox, pus in the skin the direct cause of 610
Decapsulation of the kidney for the cure of Bright's disease 772
of the kidney, results of 560
Deformities, paraffin injections for 62
Dermatitis of the leg, infectious—treatment used in a case of 144
De Schweinitz, G. E.: An Ophthalmic Clinic in the Hospital of the University of Pennsylvania 367
Diabetes and glycosuria, the treatment of.... 407
mellitus, the present treatment of..... 35
potatoes as a substitute for bread in.... 822
the treatment of 143, 359
the treatment of terminal coma in..... 473
treatment of 68
Diabetics—surgical treatment 348
Diagnosis and therapeutics..... 315

Diarrhea and vomiting in infants, on the treatment of 833
crude petroleum in the treatment of... 801
infantile—gelatin in the treatment of... 821
Diarrheas of infancy, acute—treatment of.... 557
Diet and renal disease 811
in Bright's disease 541
in the treatment of gout 670
in typhoid fever 394
the good effects of upon pulmonary tuberculosis 547
Dietary treatment of constipation..... 761
Digitalis, an attempt to obtain a uniformly active, sterile, and non-irritating preparation of for subcutaneous internal administration 747
as a heart tonic in croupous pneumonia.. 106
cause of failure in the use of..... 718
Digital nephropexy 780
Di-iodoform, a substitute for iodoform..... 377
Dilatation of the stomach, treatment of..... 118
Dillard, Henry K., Jr.: A Case of Bromoform Poisoning 221
Diphtheria and membranous croup 606
antitoxin in London 410
the prophylactic use of in school-children 837
therapeutic suggestions in 746
the treatment of by intravenous administration of antidiphtheritic serum ... 193
the use of antitoxin in the treatment and prevention of 619
Diseases of the circulatory system, treatment of 821
of the skin, coal tar and its derivatives in the treatment of 6
of the skin, the therapeutic use of suprarenal gland in certain 495
the self-limitation of 82
Disinfection with formaldehyde gas, experiments in 478
Dislocation of the cervical vertebræ, the treatment of 814
Dislocations of the shoulder; new method of reducing 204
Doyen's serum for the treatment of cancer... 863
Drinking-water as a cause of malaria..... 432
Dry calomel in the treatment of pruritus ani. 359
Duodenal and gastric hemorrhages, the treatment of 600
Duodenocholedochotomy—transduodenal route 352
Dupuy, Homer: A Note on the Internal Administration of Adrenalin for Control of Hemorrhage 652
Dysentery, a discussion on 41
and intestinal hemorrhage 684
cholera, and liver complaints, notes on the mercurial treatment of..... 834

Enucleation of the prostate by the perineal route 486
Enuresis in children 255
Epididymitis occurring in prostatic hypertrophy 226
Epidural injections 845
in urology 775
Epilepsy and spinal cord tumors—surgical treatment 851
a simple method in the treatment of..... 788
a statistical inquiry into the prognosis and curability of, based upon the results of treatment 623
crisis of vesical tenesmus in 21
its treatment—hygienic, medicinal, and surgical 337
the abuse of the bromide salts in..... 365
the prognosis and curability of..... 573
the salt starvation principle in the treatment of by bromides 392
trephining in the treatment of..... 638
Epistaxis, dangers of plugging in..... 767
the control of by adrenalin 462
Epithelioma, etiology of 92
of the mouth, the diagnosis of 693
Equinus following infantile paralysis, subcutaneous division of the tendo Achillis for the relief of 208
Ergone, a new preparation of ergot..... 453
Ergot, a pharmacological study of an aseptic preparation of devised for hypodermic and internal administration 450
in hemorrhage of other than uterine origin 321
of rye, the treatment of chorea by..... 752
Esophagoscope, the use of in cardiospasm... 633
Esophagus, "pressure-pouch" of the..... 771
Ether and chloroform—effect on the blood... 136
instructions to students administering... 534
narcosis, a contribution to 607
the preliminary anesthesia of 484
or chloroform anesthesia, the use of nitrous oxide gas alone or as a preliminary to 391
versus chloroform 605
Etherization, modified 97
Etherizer, relation of to operator and operation 538
Ethyl bromide as a general anesthetic..... 90
further report on the use of as a primary anesthetic to ether..... 336
chloride as a general anesthetic.....99, 475
as an anesthetic 39
narcosis, statistics of 493
pure, as a general anesthetic, with special reference to its use in midwifery 262
Euquinine in the treatment of pertussis..... 614
Europhen, a substitute for iodoform..... 376
Ewart, William: The Use of Morphine in Uremic Convulsions 2
Exophthalmic goitre, the treatment of..... 395
Experimental hemoglobinuria in a case of blackwater fever 465
transplantation of the entire kidney..... 632
Exstrophy of the bladder 416
of the bladder and epispadia—new operation 271
Eye, certain diseases of the—the use of large doses of salicylate of sodium in..... 263
diseases, hot and cold water in..... 260
inflammatory—the value of salicylate of sodium in large doses in..... 404

Fabricus operation for the treatment of femoral hernia 350
Facial deformities, the subcutaneous use of paraffin in 117
paralysis, nerve anastomosis in 627
Far-reaching influence of proper feeding in typhoid fever 187
Favorite drugs and formulæ 319
Femoral hernia—diagnosis and operative treatment 349
Femur, fracture of the neck of the..... 280
Ferrinol, a nuclein compound 313
Fictitious drugs 316
Filigree, an improved, for the repair of large defects in the abdominal wall..... 700
Finger-nail affections 205
Finsen light in the treatment of diseases of the skin 565
therapy for lupus 51
Flatfoot in infants 640
Follicular conjunctivitis and trachoma, the treatment of 389
Food, the amount of necessary to health.... 144
values, true 316
Forceps in obstetrical practice 266

Forearm fixation in infants 776
Foreign bodies, extraction of from the bronchus 628
in the upper air-passages and esophagus, endoscopy for diagnosis and removal of 59
Formaldehyde gas, experiments in disinfection with 478
injection into the blood of solutions of in cases of septicemia 185
solutions, the subcutaneous use of..... 194
the introvenous injection of as a means of combating sepsis 386
Formalin, experiments with in septicemia... 328
hyperhidrosis of the feet treated by.... 565
Formic aldehyde in the treatment of pulmonary tuberculosis 254
Formulæ for the treatment of migraine..... 817
Fractured patella; treatment 417
Fracture of the astragalus..... 420
of the base of the skull—rapid effusion, trephining, and recovery 62
of the clavicle in the new-born 839
of the greater process of the calcaneum. 421
of the hip in children 703
of the neck of the femur 280
and coxa vara.... 207
Fractures, combined osseous percussion and auscultation in the diagnosis and localization of 494
of the patella; modification of the Barker method 64
Fulminating purpura hemorrhagica treated by adrenalin 754
Functional central nervous affections, the coal-tar products in 9

Gall-stones—drainage of the hepatic duct... 641
medicinal treatment of..... 723
some causes of failure to cure..... 777
the therapy of 754
